By the way of introduction my name is abcd, I am a student of your prestigious institution currently in tenth standard pursuing humanities with mathematics. I am a hosteller residing in senior hostel new building for Arts of the institution.

I am writing this letter requesting you to make suitable arrangements for evening game within the premises of school. Majority of students are interested in sports like cricket , badminton , basket ball and lawn tennis. We do have grounds for the same but they are usually closed after school hours making it impossible for students to engage in outdoor sports after school within the campus premises. Moreover there is lack of proper equipments and training facilities as a result students are compelled to travel a distance of 15kms to reach sports centre Alkanda for outdoor games.

I would like to request you to please consider my request and provide facilities for the evening games. I look forward for a positive response.  
Thanking you for the same.
